

**Towards a Catalogue of Cleveland Publishings
Western Series. 3. Title Lists for the Classic
Western and Legends of the West series**

Anders N. Nilsson, Nordmaling, Sweden

[Version 10 April 2026]

A first important step for a better understanding of the many Australian westerns published by Cleveland is to gather information for a catalogue of some sort. Seems this work demands some collective efforts. I here distribute freely this list with about 680 titles with the hope that those who know and like these novel magazines will help me to fill in the gaps. This 3rd part takes a closer look at the two reprint series CLASSIC WESTERN and LEGENDS OF THE WEST. What I now need is simply #/Author/Title for the following 9 issues of CLASSIC WESTERN: 49, 51, 53, 54, 81, 85, 86, 90 & 399. Guess there are also some errors in my list that need to be fixed. All help is most welcome for sure, and I then promise to distribute updated lists. The CLASSIC WESTERN series started in 2007 or 2008 with issue #1 and ended in 2016 with #493. It costed \$3,75 from the start and ended at \$4,50. It is not to be confused with its forerunner CLEVELAND CLASSIC that was published in the first half of the 90's. One can say that CLASSIC WESTERN was the result of splitting CLEVELAND WESTERN into two series, one with new stories marked "a BRAND NEW yarn", and "a CLASSIC western" with the reprints and a separate numbering. The LEGENDS OF THE WEST was the continuation of CLASSIC WESTERN after that CLEVELAND WESTERN was ended. The new series included 192 issues published from 2016 to 2018, with an initial price of \$4,50 that in the end had increased to \$5,25. Seems that all titles listed below are reprints, although in some cases provided by Cleveland with new titles. Bibliographically, these two series are interesting in two ways. First, Cleveland in 2008 started to give printing dates in their novel magazines. Second, on the title page one can find information on printing years of earlier editions plus original titles when changed.
